

JUNGLE EDGE RESORT

Where Every Stay Feels Like Coming Home.

Jungle Edge Resorts PVT Ltd.

OUR STORY

For over three decades, hospitality has been at the heart of everything we do.

What began as a passion for welcoming people has grown into a destination where nature, comfort and genuine care come together. Nestled among the hills of Wayanad, Jungle Edge was created for those seeking a slower pace, meaningful moments and a deeper connection with nature.

Today, every stay reflects the same values that inspired our journey from the beginning: warmth, authenticity and unforgettable experiences.

OUR VISION

“

Jungle Edge was created with a simple belief: luxury feels different when it is surrounded by nature.

We believe the finest luxury is not found in excess but in simplicity.

A sunrise over misty hills. The sound of birds at dawn.
Conversations around a campfire. Moments that allow you to pause,
breathe and reconnect.

Our vision is to create a place where nature and comfort exist in perfect harmony and where every guest leaves feeling refreshed, inspired and eager to return.
